A Message from the President

Hello,

It has been quite awhile since we were able to publish a brochure. Now here we are putting together a limited Fall brochure. It has been challenging for all of us during the past year and a half plus. As a person, most seniors have been confined to their living quarters. Our sponsors were generally shuttered and are slowly reopening with financial challenges and may not be able to offer discounts. Nevertheless, we encourage you to support our long-time sponsors. During this time, we offered links to virtual programs around the world as well as local activities by the senior centers and libraries. We extended your membership at no cost. Now we just offered an early bird membership fee of \$19 if you renewed or joined by September 30th 2021 and only \$25 if you renew afterwards. We are still gathering programs/events that are free or with minimal fees to share with you. We will share other sponsor information with you so you can support them. We are able to schedule some great tours and hope you feel comfortable enough to participate. Hopefully, as a senior you are vaccinated and are anticipating receiving your booster shot this fall. Our travel committee is looking to resume some trips in late spring of 2022. We are planning zoom activities starting with Jack Burkert from the Museum of Industry in October and Johns Hopkins from Baltimore Heritage in November. We are holding a welcoming back party for our volunteers in October. And hope to be installing new executive officers at this party.

We thank Diane Frederick for serving as our President even with some personal challenges. We thank Maya Franklin who served as our coordinator and accepted another position in June. We thank our board and planning committees who met via teleconferencing and zoom meetings. The enthusiasm of these volunteers and the wonderful feedback we received from our telephone calls to our membership was overwhelming positive about our continuation. Finally, we thank the Department of Aging for their continued support and aid and in particular, Jan Heaberlin.

THANK YOU ALL!

Harry Quinn,

1st Vice President, SBO

(Open to the Public. SBO membership not required.)

Shipbuilding On the Patapsco: 300 years of Baltimoreans and Their Ships

Jack Burkert of the Baltimore Museum of Industry
Thursday, October 14, 2021 10:30 AM

From the earliest days of a settlement to the closing of the last yard at Sparrows Point in the late 20th century, Baltimoreans toiled in dozens of locations building some of the finest vessels ever constructed. From wood to steel, sail then steam, local yards built thousands of ships. Some names we know: The Baltimore Clipper and Liberty Ships - more built in Baltimore than anywhere else. Fleets of small craft, utility tasked ships and the building of a “replacement” refrigerated cargo fleet are just a few of the ship stories that dominated the city for hundreds of years. Join Jack Burkert from the Baltimore Museum of Industry as he discusses shipbuilding in Baltimore.

From Country Estates to Municipal Parks ***How Baltimore Created a First Class Public Park System***

Johns Hopkins of the Baltimore Heritage Society
Monday November 8, 2021 10:30 a.m.

William Patterson donated five acres of land in 1827 for Baltimore's first public park and from there the city has created a first class network of parks that cover thousands of acres. Family estates that at one time ringed Baltimore City, including the Hopkins, Carroll, Wyman, Rogers, Winans and other families, were converted into promenades, nature walks, ball fields and swimming pools. Join Baltimore Heritage Director Johns Hopkins to learn about Baltimore historic parks and how they have shaped our city.

Please email SBO@seniorboxoffice.org as soon as possible to register for these Speakers. We will follow up by email and send you a link and a password to enter the live Zoom session or Webinar. If you don't have email and would like to phone in, please call us at 410-877-5399 to get instructions to attend by phone.

The setting is a cold, clear, moonless night in the middle of winter in the mythical town of Almost, Maine. As the northern lights hover in the star-filled sky above, Almost's residents find themselves falling in and out of love in unexpected and often hilarious ways. The nine short, and sometimes quirky, vignettes all have a fable-like quality and the sweet simplicity of stories being told around a New England campfire. Special SBO price: \$6 with voucher. First five rows of seating are excluded.
