## Author Showcase

**Thursday, October 31, 2024 1:00 PM at Senior Box Office**

Enjoy the afternoon with a talented group of senior authors as they discuss their latest books. Jean Burgess chats about her 70s Retro novel, *That Summer She Found Her Voice*, while Austin Camacho shares aspects about his hard-boiled detective Hannibal Jones. Millie Mack reveals the newest book in her Faraday Murder Series, *Take a Book for Murder*, and is joined by Eileen McIntire, who writes a 90s Club cozy mystery series where 90-year-olds solve crimes. Christine Merriman describes the details of her Lisa Powers series, which examines growing up and living through the second half of the twentieth century. Mark Willen rounds out our group of authors with a fascinating book, *The Question is Murder*, which combines a taut murder mystery with an ethical quandary. In addition to a great discussion about these books, the audience can ask the authors questions about their writing. Books will be available for sale, and there will be a raffle for exciting prizes.
