

Carroll County Dine- Around Thursday, May 1

After we pick up our Carroll County tour guide, our 3-course lunch will begin at Johanson's Dining House with soup or salad. Then we drive through 200-year old Uniontown. The main course of roasted chicken breast, roasted salmon or chestnut risotto will be served in the dining room of the Antrim 1844 Country House Hotel and we'll have a tour of this beautifully restored hotel in Taneytown. Then off to the Carroll County Farm Museum before we enjoy desert at the Farm House Tea Room. This makes for a delicious trip. **Please indicate your meal choice on the Trip Reservation Form**
